### To The Wonderful Women In My Circle

When I was little, I used to believe in the concept of one best friend, and then I started to become a woman...and then I found out that if you allow your heart to open up...

#### God would show you the best in many friends

One friend is needed when you are going through things with your man

#### Another

Friend is needed when you're going through things with your mom.

#### Another

When you want to shop, share, heal, hurt, joke or just be.

#### One Friend will

Say let's pray together, another let's cry together, another let's fight together, another let's walk away together.

#### One friend will meet your

Spiritual need, another your shoe fetish, another your love for movies, another will be with you in your season of confusion, another will be your clarifier, another the wind beneath your wings.

#### But whatever

their assignment in your life, on whatever the occasion, on whatever day, or wherever you need them to meet you with their gym shoes on and hair pulled back, or to hold you back from making a complete fool of yourself...those are your best friends.

#### It may

all be wrapped up in one woman, but for many it is wrapped up in several...

One from 7<sup>th</sup> grade, one from high school, several from the college years, a couple from old jobs, several from church, on some days your mother, on others your sisters, and on some days your daughters.

So whether they've been there 20 minutes or 20 years,  
Pass this on to the women that God has placed in your life to make a difference.

**Thank you for being my friend!**
