## Education and Enrichment Program

### SAT Prep Enrollment Agreement

Please read the following carefully for information regarding the Princeton Review-Based SAT Reasoning Prep Test at West Angeles® Church of God in Christ.

- 1) The cost of the course includes:
  - Two (2) practice tests, detailed analysis of results, 22+ hours of classroom time, the workbook and assignment answer key.
  - The test prep is Princeton Review in content and they are the top SAT Preparer. This course would cost over \$1,300 plus the book fee at the West Los Angeles Princeton Review facility.
  - *Due to increased overhead cost to deliver this program, there are no fee exceptions without the approval of the Church's Chief Operating Officer or in accordance with an existing partnership or preferred HS counselor agreement.*
- 2) Registration is "first to register" (sign-up) and "first enrolled" (paid in full) basis. PARTIAL payments are PARTIAL enrollment unless written agreement is received from the EEP office. The fee will be further reduced for a minimum number foster youth registered in LA County.
  - **NOTE: Once you register and pay in full, please plan for your youth to attend all prep classes. The enrollment agreement and registration forms are attached. Once the enrollment agreement is signed and your youth attends a class, a full refund is not guaranteed due to the very low price for this high quality SAT Prep and the pre-expenditure by the church.**
- 3) All participants in SAT Prep must register for the SAT Test.

*This application is separate from SAT Prep and must be done separately at the College Board website at [www.collegeboard.com](http://www.collegeboard.com)*

  - **The cost of the test is \$54.50**; the late fee is an additional \$28.
- 4) **There is a mandatory PARENT/YOUTH orientation the Thursday before each Prep begins.**
  - **Students cannot take the prep if the parent(s) does not attend the orientation**
- 5) The prep schedule is shown on page 2. EVERY effort should be made to attend all or nearly all of the Test Prep on time. **No classes can be repeated.**
  - *Once you have registered, and attended the orientation, we assume you know the SAT Schedule and do not need the staff to make reminder calls. On occasions where minor changes in schedule may be announced due to church scheduling changes, the EEP Staff will call or send an e-mail.*
- 6) Students will have a minimum of 30 minutes of homework per week. **The homework must be done for maximum results.**
- 7) Any participant leaving the designated training area without authorization will be dis-enrolled without refund of fees. There is no tolerance for leaving the training area without permission. If your student comes to SAT prep with another and is dependent on the other youth to get home, you must inform us. In addition, the other youth's parent must let us know or we cannot release your youth until we get your permission.
  - **We need your explicit written permission to release your youth to travel home with another youth.**
