**DAY 17 – LIVING WITH PURPOSE**

**Scriptures:** Ephesians 2:10; Philippians 3:12-14

**Prayer Focus:** Pray for perseverance to pursue God's purpose for your life.

**Devotional Thought:**

You were created with a divine purpose. God's plans for you are good, and He has uniquely equipped you to fulfill them. Spend time seeking His direction this year, and be open to His leading. As you walk in obedience, you will experience the joy and fulfillment that come from living out His purpose.

**Practical Moment:**

Write down your personal mission statement for this year. What is one specific goal you feel God is calling you to pursue?
