DAY 13 – UNITY IN THE BODY OF CHRIST

Scriptures: John 17:21; Ephesians 4:1-6

Prayer Focus: Pray for unity and love among believers.

Devotional Thought:

God desires His people to be united in love and purpose. When believers work together, they reflect His glory and accomplish His mission in the world. This year, commit to building relationships that promote unity, forgiveness, and cooperation within the Body of Christ. Together, we can do exceedingly abundantly more for His Kingdom.

Practical Moment:

Reach out to someone in your church or community with whom you've lost touch or had a conflict. Seek reconciliation and pray for God's blessing over your relationship.
