

January 2025 Devotional by Dr. Wilfred Graves Jr.

DAY 2 – A HEART OF WORSHIP

Scriptures: Psalm 96:1-3; John 4:23-24

Prayer Focus: Praise God for His greatness and commit to a lifestyle of worship.

Devotional Thought:

Worship opens our hearts to experience God’s presence and power. True worship is more than singing songs—it’s a posture of the heart. It’s choosing to honor and exalt Him more than anything else in your life. As you worship, God reveals His beauty, majesty, and faithfulness, and you are transformed in the process. Worship sets the tone for a year of joy and victory.

Practical Moment:

Start a “Worship Playlist” with songs that draw your heart to God. Spend 10 minutes today reflecting on His goodness and praising Him through song or prayer.
