

**January 2025 Devotional by Dr. Wilfred Graves Jr.**

**DAY 10 – STEWARDING GOD’S GIFTS**

**Scriptures:** Matthew 25:14-30; 1 Corinthians 4:2

**Prayer Focus:** Pray for wisdom to steward your time, talents, and resources well.

**Devotional Thought:**

God has entrusted you with gifts, talents, and opportunities to use for His glory. Stewardship is about managing these blessings wisely and faithfully. Whether it’s your time, finances, or abilities, remember that everything you have is from Him. As you invest your gifts in His Kingdom, He will multiply them in ways you cannot imagine.

**Practical Moment:**

Make a list of your resources—time, skills, finances, and opportunities. Ask God how He wants you to use these blessings this year to honor Him and bless others.
