

**January 2025 Devotional by Dr. Wilfred Graves Jr.**

**DAY 6 – WALKING IN FAITH**

**Scriptures:** Hebrews 11:1; 2 Corinthians 5:7

**Prayer Focus:** Pray for courage to trust God's leading.

**Devotional Thought:**

Faith is the foundation of your walk with God. It's believing in His Word even when you don't see immediate results. As you trust Him step by step, He will lead you into the fulfillment of His plans for your life. Walking in faith requires surrendering control and choosing to believe that God is faithful to His promises.

**Practical Moment:**

Identify one step of faith God is calling you to take this week. Write it down, pray for it, and commit to taking action.
